

MEMORIES OF THE FUTURE

HR IN THE WORLD OF CHANGE

**19 May
2016**
Czech National Bank,
Prague

The conference will introduce best practices in the market and bring inspiration for the role of HR.

10 most sought-after positions in the market did not yet exist 10 years ago. Advanced ability to predict and to adapt therefore guarantees success. How can HR support business in this respect?

How to predict market developments, increase labour productivity and retain employees when new ones are hard to find? And, how should we work with traditional HR tools in this situation?

Come get ready for the turbulent future with select experts, and get inspired by the best in the market.
