Citibank clients enjoy comfort and many benefits when travelling abroad

PRAHA – Citibank Europe plc offers its clients many benefits for traveling abroad through its Citigold program. As part of the Citigold program, clients are issued with the CitiCard gold debit card that brings them many attractive benefits at the very beginning of the journey as well as during their stay anywhere abroad.

“The Citigold Lounge at the Václav Havel Airport is available to Citigold program clients at any time during their travels, and they can also use it while waiting for their families, friends and business partners to depart or arrive,” Veronika Špaňárová, Citibank’s Retail Bank Head describes one of the benefits and adds: *“Cash advance from ATMs in the Czech Republic as well as anywhere in the world for free is a matter of course.”*

One unique feature is the possibility of connecting the debit card with any current account in a foreign currency opened with Citibank. Payments made using the CitiCard are then charged directly to the selected account, without the need for currency conversion. Thanks to this option of converting the debit card to work with any current account, customers need not own multiple payment cards. The gold CitiCard debit card is also issued with a default package of travel insurance for the cardholder and their entire family.

Benefits all over the globe

The holders of the gold CitiCard debit card may use benefits in many hotels all over the world. They can choose from various VIP packages, redeem spa vouchers, savor free breakfasts and enjoy their stays in higher class rooms. The full range of the benefits can be viewed at www.hotelprivileges.com.

If the holder’s gold CitiCard is stolen or lost, the holder can use the “Emergency Cash” service thanks to which they will receive the cash needed for their stay abroad from any Citibank branch abroad.

“In addition to the aforementioned benefits, CitiCard gold debit card holders will also receive comprehensive assistance services for free to ensure them comfort while travelling abroad. The operators at Europe Assistance s.r.o., are available 24 hours a day, 7 days a week,” Veronika Špaňárová adds.
