London – Euromoney, the preeminent global financial markets magazine, recognised Citi as “Best Global Emerging Markets Bank” and “Best Global Emerging Markets Equity House” at its annual Awards for Excellence dinner last evening in London.

Euromoney said, “As global macroeconomic concerns, regulatory requirements and market pressures for cost-cutting bite universal-banking rivals, Citi continues to position its core global franchise in emerging markets, across retail, corporate and investment banking. As credit expansion continues to outpace nominal GDP growth in developing markets, the bank has reaped the subsequent growth in loans, deposits and earnings.”

The two global awards were among 20 won by Citi, including a number of top regional awards: Best Bank in Africa, Best Investment Bank in Central and Eastern Europe and Best Equity House in North America.
