

Pedersen & Partners takes over TalentOn Executive Search

September 3rd, 2013 - Prague, Czech Republic – [Pedersen & Partners](#), a leading international Executive Search firm with 50 offices in 47 countries, has taken over the Czech search firm TalentOn. The founder and Managing Partner of TalentOn [Monika Kubičková](#) will move to Pedersen & Partners and take on the role of Principal, to be based in Prague.

After a business development career with the UK law firm, Clifford Chance, and later, the US Business School Prague, Ms. Kubičková founded her Executive Search firm, TalentOn, in 2008 where she was the Managing Partner. She has spent the last five years successfully closing senior management roles for many top Czech companies and gained significant experience across various industries with specialization in the Private Equity, Banking, Finance and Professional Services sectors.

[Petra Grabmayer](#), Country Manager for Czech Republic at Pedersen & Partners commented: “As the market leader for Executive Search in the Czech Republic, we are excited to bring Monika and the expertise of her firm into our team. The expertise of TalentOn will benefit our clients. Being part of Pedersen & Partners, Monika will gain the international reach she needs to continue building her relationships with her clients beyond Czech borders.”

“Merging TalentOn into Pedersen & Partners makes sense; personally, I am convinced that the entrepreneurial spirit of the firm and the accelerated growth they have seen in the past decade fits well with my energy. This takeover allows me to give my clients a truly international service with the same high standards and personal approach to which they have grown accustomed. I am excited about this change and opportunity,” added Ms. Kubičková.
