Dear Madam/Sir,

**BNP Paribas Corporate & Institutional Banking** cordially invites you to the opening conference (presented in English) within the exhibition **CLIMATE 360°**. The aim of the exhibition is to share with the general public the results of the climate change research supported for many years by BNP Paribas Foundation.

**October 10<sup>th</sup>, 2019**

**Welcome drink at 18:30**

**Climate 360° - Opening conference followed by a cocktail starts at 19:00**

**French Institute**

**Štěpánská 35, Praha 1**

**Philippe Cury**, French expert and **Jan Frouz**, Director of the Environmental Centre on the Charles University, will speak about the climate change impact on the terrestrial and marine biodiversity. The conference will be moderated by **Libor Bouček**.

**The invitation is for 2 people.**

**Please register yourself by e-mail: [eva.kuhnova@bnpparibas.com](mailto:eva.kuhnova@bnpparibas.com)**

**or by phone: [221 111 100](tel:22111100)**

We are looking forward to see you.
